PROFILE INFO

UI/UX Designer with 3+ years of hands-on experience designing end-to-end digital products for web and mobile across healthcare, real estate, and tech domains. Skilled in user research, wireframing, high-fidelity UI, interactive prototyping, and usability testing using Figma and Adobe XD. Consistent track record of delivering intuitive, accessible interfaces that improve user engagement and reduce friction — from initial user flows to dev-ready handoffs. Comfortable working closely with developers and stakeholders in fast-paced, collaborative environments.
